We have meeting with Benita scheduled for Jan. 23. She'll be at OW staff and you can touch base on how that compares with your timing needs, which we will be sure to meet.

Dave,

Cynthia, Jared and I spoke last night. I need to have an update briefing on where OWOW sees us on the impacts, and the ability to mitigate.

I do not need a formal presentation, a dialogue will be fine.

Please work with Crystal/DeMara to set it up.

Thanks,  
Ken
